ECP REACHED TO ENCLAVES:

With the financial support of UAE-Bangladesh Investment Company Ltd and its Managing Director, Mr. M. M. Mostafa Bilal, ECP – MSS extended its School Sight Testing Program (SSTP) services to all six Primary School children in Dahagram - Angorpota enclave in Lalmonirhat district to make eye care accessible to them. Thus, ECP – MSS conducted a series of six SSTPs on June 2 – 4, 2024 under which 859 students were screened, and 27 spectacles and 133 eye drops were given to them.

These SSTPs were sponsored by UAE-Bangladesh Investment Company LTD and its Managing Director. Mr. M. M. Mostafa Bilal. ECP-MSS contributed technical and logistical support and staff time. Rangpur Eye Hospital, an ECP partner hospital, provided its medical team for the program.

SSTP at Madrasha campus for Students:

ECP implemented a School Sight Testing Program at Modinatul Ulum Model Institute Boys and Girls Kamil Madrasha in Dhaka on June 3-4, 2024, to provide complete eye care to disadvantaged students. Under the SSTP, 472 screenings, 65 glasses, and 146 eye drops. ECP believes that the early detection of vision problems through school eye testing is key to ensuring eye health in students. ECP-MSS conducted a spectacles distribution program on 3rd July 2024 Our donor, Mr. Gofran Farooque distributed free eyeglasses in the program
